Mary Black Recognizes Exceptional Employees

SPARTANBURG, SC – Mary Black Health System, (MBHS), recently named Connie Balck, Radiology Technologist, as its 2009 Employee of the Year. April Panchyshyn, RN and Director of the Emergency Department, Wound Center, ICU and Cath Lab was named Clinical Manager of the Year and Vicky Tabbot, RN, Director of Case Management was named Non-Clinical Manager of the Year.

Balck, who was previously named Employee of the Quarter for the third period was selected for her attitude of service. “Connie always shows up ready to work and help others...should you see a smiling tech with very short hair running around helping others that will be our Connie doing what she does best,” stated fellow employee, Pam Morrison, MBHS Nuclear Medicine and Cardiologist Team Leader. Director of Radiology, Beverly O’Sullivan echoed Morrison’s comments. “Connie is very deserving of the honor of Employee of the Year. She is very dedicated and caring.”

Panchyshyn, Clinical Manager of the Year, was selected for her leadership and proven results oriented skills. “April is an asset to the nursing and MBHS team. She does not hesitate to take on new responsibilities...She works well with staff, co-workers, management and physicians. Her focus is on making the right decision for all parties involved,” stated Chanda Flynn, RN, Chief Nursing Officer.

Tabbot, the Non Clinical Manager of the Year, was selected for her positive attitude and commitment to department and system wide goals. “She always has a positive attitude and develops her team to meet the challenges of the ever changing world of Case Management, stated Rich Meyer, Chief Financial Officer.

MBHS Leadership members recently presented the three employees with a certificate of recognition. The three will also receive a special monetary gift for their outstanding service. “Mary Black Health System is fortunate to have these three exceptional employees who continually go above and beyond their respective duties. Connie, Vicky and April excel daily in

practicing our expected Standards of Care. They are committed to Community Cares which is the Mary Black way of doing business, providing quality care to our patients, families and fellow team members. We are honored and proud to have such outstanding associates,” stated David Cope, Interim Chief Executive Office and Chief Operating Officer.
